This contract is entered between RHONDA WEDDINGTON (Hereinafter "SELLER") and

\_\_\_\_\_ (Hereinafter "BUYER"). BUYER AND SELLER AGREE TO

THE FOLLOWING PROVISIONS OF THE SALE:

BUYER agrees that he/she has or will view(ed) the subject puppy in person before final purchase (initials) \_\_\_\_\_

**BUYER AGREES TO HAVE THE DOG EXAMINED BY A LICENSED VETERINARIAN WITHIN 48 HOURS (EXCLUDING WEEKENDS & HOLIDAYS) OF RECEIPT OF THE PUPPY. If the Puppy is determined to be unfit for purchase, BUYER has two (2) business days to contact SELLER after the Veterinarian's determination that puppy is unfit. A written certification of unfitness must be presented to SELLER not later than three (3) business days after determination.**

If the Veterinarian certifies that, at the time of sale, the puppy was unfit for purchase due to a congenital or hereditary disorder, SELLER offers BUYER one of the following options:

1. The right to return the animal and receive a refund of the purchase price, but excluding the veterinary costs related to the certification that the animal is unfit; or
2. The right to return the animal and receive an exchange dog of the BUYER'S choice of equivalent value, but not a refund of the veterinary costs related to the certification that the puppy is unfit.

SELLER reserves the right to have a second Veterinarian of SELLER'S choice to evaluate the Puppy's condition within ten (10) business days following receipt of the animal before any refund/exchange will be issued.

An animal may not be determined unfit for sale on account of an injury sustained or illness contracted after the BUYER takes possession of the animal. A veterinary finding of intestinal or external parasites is not grounds for declaring a dog unfit for sale unless the animal is clinically ill because of that condition.

SELLER guarantees the Puppy against any inheritable/congenital defects for one (1) year following the sale of Puppy. If the Puppy develops any inheritable/genetic defect within one (1) year from the date of sale, BUYER may return the Puppy to SELLER for a replacement puppy of equal value/quality, selected by SELLER, if and when SELLER has the next litter of puppies. SELLER reserves the right to have a second veterinarian of her choice evaluate the Puppy's condition before the warranty will be honored. At SELLER'S discretion, BUYER may elect to keep the Puppy, in which case, BUYER agrees to accept all responsibility to veterinarian care of the Puppy. If the decision is made that puppy must be returned to SELLER, the cost of transporting the puppy back to SELLER will be the responsibility of BUYER. AKC paperwork must accompany returned puppy. If needed, AKC registration will be signed over to SELLER'S name.

SELLER may specifically state at the time of sale, in writing to the consumer, the presence of specific congenital or hereditary disorders, in which case the BUYER has no right to any refund or exchange for those disorders.

Under no conditions and at no time during the life of the Puppy will SELLER pay or assist in paying veterinary expenses after the Puppy is purchased, including any such expenses directly or indirectly related to any inheritable/genetic defects. HYPOGLYCEMIA is not covered by this warranty.

If the puppy should expire during the Health Guarantee timeline, BUYER must notify SELLER within two (2) business days and a necropsy must be performed at BUYER'S expense to determine cause of death by a licensed veterinarian and results sent by certified mail to Florida Designer Puppies within ten (10) business days of procedure.

The SELLER assumes no responsibility after the Puppy leaves premises for BUYER'S inability to keep Puppy due to change of mind, "surprise gift" is not wanted, restrictions of animal ownership at place of residence, family member is allergic, Puppy pees on antique carpet, etc.

If any refunds are issued on a payment that was made via credit card (which will be processed through Paypal) within 60 days from purchase date there will be no refund fee but if after 60 days from purchase date, a 3% refund fee of dollar amount refunded will be assessed.

If any legal actions are brought against SELLER, the litigation must be in the jurisdiction of Clearwater, Pinellas County in the State of Florida. Should it become necessary for the SELLER to take legal action to defend herself or otherwise enforce the provisions of this Contract, the BUYER agree(s) to pay all of SELLER'S court costs and reasonable attorney fees.

**This guarantee as stated has been read and completely understood by the BUYER. BUYER acknowledges receipt of Florida Statute 828.29 known as The Florida Pet Lemon Law, from the seller (printed below) and BUYER agrees to waive all rights under such law. BUYER acknowledges receipt of a written Health Guarantee (written above) from SELLER in place of the Florida Lemon Law, which protects him in connection with the purchase of this puppy, as so disclosed in the Health Guarantee. Pursuant to Florida State Statutes 828.29, I freely and voluntarily waive all rights and accept the above provisions as my sole recourse. FLORIDA STATE STATUTE 828.29 - "It is the consumer's right, pursuant to section 828.29, Florida Statutes, to receive a certificate of veterinary inspection with each dog or cat purchased from a pet dealer. Such certificate shall list all vaccines and deworming medications administered to the animal and shall state that the animal has been examined by a Florida-licensed veterinarian who certifies that, to the best of the veterinarian's knowledge, the animal was found to have been healthy at the time of the veterinary examination. In the event that the consumer purchases the animal and finds it to have been unfit for purchase as provided in section 828.29(5), Florida Statutes, the consumer must notify the pet dealer within 2 business days of the veterinarian's determination that the animal was unfit. The consumer has the right to retain, return, or exchange the animal and receive reimbursement for certain related veterinary services rendered to the animal, subject to the right of the dealer to have the animal examined by another veterinarian".**

ABSOLUTELY NO CASH REFUNDS...

This Sales Contract is non-transferable. Should BUYER relinquish ownership in the Puppy, for any reason, this Sales Contract shall be deemed null and void.

## Limited Registration

Limited Registration means that the dog is registered but no litters produced by that dog are eligible for registration.

Chapter 3, Section 4A of the AKC's Rules Applying to Registration and Discipline states the following: "Limited Registration may be requested for a dog when application for individual registration of the dog is submitted, provided the application, together with a request for such limitation, is filed by the owner(s) of the litter at birth.

No offspring of a dog for which Limited Registration has been granted is eligible for registration. Each registration certificate for such dog shall carry notice of the limitation, and the limitation shall continue, regardless of any change of ownership, unless and until the owner(s) of the litter at birth shall apply to AKC for removal of the limitation."

A dog registered with an AKC Limited Registration shall be ineligible to be entered in a breed competition in a licensed or member dog show. It is eligible, however, to be entered in any other licensed or member event. These events include: Obedience, Tracking, Field Trials, Hunting Tests, Herding, Lure Coursing, Agility and Earthdog.

Limited Registration is determined by the litter owner(s). The litter owner(s) check the Limited box on the AKC Dog Registration Application.

Limited Registration certificates are white with an orange border; the Full Registration certificate is white with a purple border.

Limited Registration can be changed to Full Registration only by the litter owner(s). The litter owner(s) will need to obtain the Application to Revoke Limited Status. That form will then need to be completed and sent to our Raleigh address with the processing fee. After processing, we will send a Full Registration certificate to the dog's owner.

Limited Registration helps breeders protect their breeding programs. If breeders do not want puppies used for breeding purposes, they can request the Limited Registration option for those puppies.
